

Accessing ETS ReadBasix student recommendations.

1 Click "Reports"

The screenshot shows the Capti Assess interface. On the left is a sidebar with navigation options: Students, Assignments, Content, Reports (highlighted with a red circle), and Settings. The main content area is divided into two sections. The top section, titled "Students", shows "29 students in total" and "0 students in your classes", with buttons for "Manage roster" and "Group students". The bottom section, titled "Share content", shows "0 playlists in total" and "0 your playlists", with buttons for "Share with students" and "Publish to colleagues".
